MAIT

....Advancing The Technology

PROSPECTUS

INTRODUCTION

WHATEVER YOUR PASSION, YOU CAN MASTER IT AT MAIT.

MAIT is governed by Social Service Welfare Society , a group of Educationist. It was established in the year 2006, under Public Private Partnership made with State Govt. of Punjab through Directorate of Technical Education and Industrial Training, Chandigarh.

MAIT is place where brilliant minds assemble And collaborate, where they pool together their individual talents across disciplines in service of big projects and big ideas.

It is a vibrant community teeming with students collaborating with Experts and specialist: a hub of innovation and creativity. It is an Intersection of disciplines, a launching pad for a brilliant career, and a highly unique state of mind.

It is perfect environment in which to pursue your passion. Here the future is envisioned each day. And remade each day after.

Imagine the possibilities.

Welcome to MAIT

discover yourself, inspire posterity

Dr. Rakesh Ahuja
Managing Director

We are delighted that you are thinking of joining us.

The MAIT is a great place to study with excellent teachers and resources. We will challenge you to achieve your very best and provide you with the support you need to succeed.

Coming to MAIT is not just about gaining qualifications, it is also about gaining confidence in yourself and developing a range of skills that will help you get the job you want, build a career, start your own business or progress to higher education. Your course will be designed to help you develop these wider skills.

Your learning and success are the reason MAIT exists and Every member of staff will be working to enable you to succeed.

We are delighted with our recent achievements regarding annual results, placements and selection of students in reputed colleges for higher education, which confirmed that MAIT is a very good college and committed to providing a high quality service to our learners, our community and to employers.

A fantastic 96% of our students would recommend the college to their friends.

I hope you find this prospectus has what you are looking for. Please visit us to find out more.

I hope you decide to join us and look forward to meeting you.

ACADEMICS

DIVERSE, ACTIVE & COMMITTED FACULTY

UP YOUR GAME WITH OUR DOWN- TO-EARTH EXPERTS

Enthusiasm and commitment to teaching are undeniable characteristics of MAIT's faculty. From instructors to engineers and management specialists, they will spark your curiosity, challenge you to grow, and inspire you to achieve your dreams.

▶ FINEST FACILITIES

WE'VE BUILT OUR WHOLE WORLD AROUND YOUR AMBITIONS

MAIT's students have unmatched opportunities for hands-on learning, utilizing some of the most sophisticated classroom, laboratory, and workshop equipment available anywhere.

State-of-the-Art Campus

At MAIT, we understand how technology enhances creativity and innovation. Our campus has the latest equipment, software, workshops, laboratories, and conveniences - the tools you need to explore and excel. We help you utilize the latest technology and understand its impact on the world.

A welcoming, Sustainable Environment

MAIT is much more than its high-quality academic facilities; it offers many welcoming spaces on campus. You'll find vibrant locations for social and intellectual activity just about everywhere you look. The physical beauty of the campus comes from an interplay of natural and park-like settings with modern buildings, and artwork prominently on display. Comfortable spaces offer places to relax or work on projects and team assignments. In addition, our community of more than 2,000 students, faculty, and staff has made a commitment to advance sustainability in all areas in our campus operations and con-

sumption practices, and in efforts to promote social sustainability within the MAIT family. By making the campus more environmentally friendly and by engaging in and learning more about sustainable practices, we can take steps now to ensure that the campus and the greater world in which we live will be cleaner, healthier and more livable tomorrow than they are today. In short, you'll find that our commitment to student success and sustainability is captured throughout the campus's outstanding academic and community facilities.

MAIT UTSAV : TECHNICAL AND CULTURAL FESTIVAL

EXPECT THE UNEXPECTED

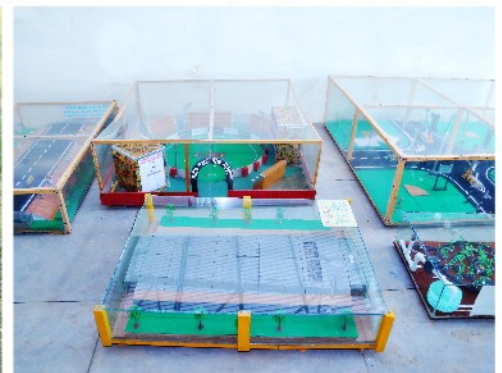

We believe MAIT can help to improve our lives and make the world a better place. Innovation and creativity are the key ingredients, with technology and the arts stirring the formula for an extraordinary future.

Innovation, creativity & Talent Showcase

Visitors experience the breadth and depth of MAIT through interactive presentations, hands-on demonstrations, exhibitions, and research projects set up throughout campus. Games and multiple performance stages with live music and entertainment are also a hit with visitors of all ages.

Each year, MAIT demonstrates its leadership in innovation and creativity by sponsoring the MAIT UTSAV: Technical and Cultural Festival, a campus-wide event that showcases the innovative and creative spirit of our students, faculty, and staff.

STUDENT LIFE

A SPIRITED, CONNECTED COMMUNITY

Student Life

Catch the spirit! Students take their academic pursuits seriously, but they'll be the first to tell you that they are passionate about life outside of the lectures and labs.

MAIT is alive with energy and excitement—24/7. It won't take long for you to find your niche in this community because there are so many ways to be involved. Take advantage of the opportunities for recreation and personal growth, leadership, and entertainment that are out there. Try something new. Stretch your mind and body—and grow.

PLACEMENTS & HIGHER EDUCATION

THE MAITIANS A GOLD-PLATED CAREER.

Students learn best by doing. As a career-focused institution, MAIT academic programs feature distinct and diverse opportunities to apply classroom education to real-world problems and projects.

MAIT Placement Cell- A very active and dedicated team is working for employment of students by:

- Organizing campus drive of various renowned companies at MAIT CAMPUS
- Guiding the students about the placement opportunities in govt. as well as private sector
- Providing information through sms, tele calling, social media site regarding placement opportunities and important dates for application forms and interviews etc.

DID You Know?

95% of MAIT students enter either the employment or higher study within 6 months of completing their course.

We know how to turn good learning into great jobs, giving our students the skills employers need.

VISIT MAIT COME AND VISIT MAIT

**No. 1
INSTITUTION
OF THE REGION**

Announced By
Programme Sair Punjab Di
for the Year 2015

To get a feel for academic and student life at MAIT, nothing beats a campus visit. We encourage you to explore all that MAIT has to offer. Take a campus tour and capture your impressions of this attractive, friendly, and upscale institution with outstanding facilities.

MAIT is an active, fascinating place, and a campus visit is the best way to see if it is right for you. Our campus tours, information sessions, admissions interviews, and open house programs have been designed with your particular interests in mind.

Personal interviews are available year-round. Group information sessions are available at varied times of the year. During your visit you'll have the chance to meet with admissions counselors and faculty members and get answers to any questions you may have.

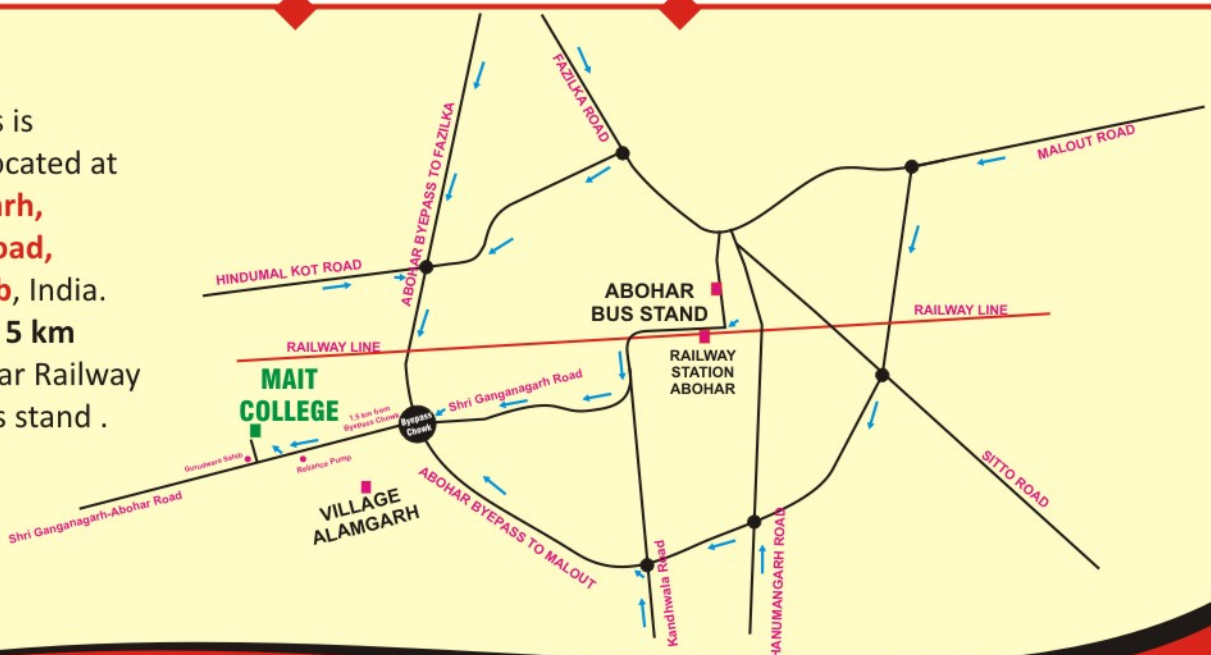

Our goals during your visit are twofold—to help you form accurate impressions about our Institute and to help us learn more about you. In order to make the most of your visit, we ask that you contact us in advance to schedule specific arrangements. You may make an appointment by calling 94652-51048, 97802-44188
